Discovering Your Own Power and Authority

Charles Fillmore shared about our Unity teachings, “Study and research are well in their own time and place, but no amount of either will get you out of a concrete difficulty. Nothing but practical work in your own consciousness will do that.”

Unity is a way of creating our lives to be what we want. It is NOT just another method of solving problems and it certainly isn't only about learning lessons through challenges and opportunities for growth. Unity and its' teachings are about your magnificence, your freedom, and your ability to create whatever you desire.

What would you feel if you knew you were moving toward what you want instead of struggling or efforting against what you do not want? You are a unique expression of the Divine and that is the Truth that sets you free. This freedom allows you to step into your life with authority and to use the same power Jesus used to create what you want.

Right now, get still, relax, and declare for your life: *I can do all things through Christ who strengthens me!*

Continuing in September, we will share in the Essential Fillmore's who gave their lives and careers to sharing Unity principles. On December 7, 1892, Charles and Myrtle made and signed a secret covenant with God. It was not discovered until almost 50 years later. Its spirit motivated their lives and work. They felt they were doing God's work. They were not doing it to enrich themselves; they were doing it because they believed in God and wanted to help others discover their own power and authority in God. Here is their covenant.

Dedication and Covenant

We, Charles Fillmore and Myrtle Fillmore, husband and wife, hereby dedicate ourselves, our time, our money, all we have and all we expect to have, to the Spirit of Truth, and through it, to the Society of Silent Unity.

It being understood and agreed that the same Spirit of Truth shall render unto us an equivalent for this dedication, in peace of mind, health of body, wisdom, understanding, love, and an abundant supply of all things necessary to meet every want without our making any of these things the object of our existence.

In the presence of the conscious mind of Christ Jesus this 7th day of December 1892.

Signed Charles and Myrtle Fillmore

Why am I at Unity of Auburn? I'm here because it is fun! I'm here because this is where my friends are. I'm here because it is the place where I can use my skills to enhance my life and the lives of others. This is the place where I can explore new ideas. This is the place that helps me "Thrive in a Changing World."

A Sisters Birthday Potluck 2022

I wasn't always here. I'm a transplant from Southern California. I had always been shy, so after I moved here, I didn't meet many people. I didn't do much except work, eat and sleep. That all changed when I joined this church in 2007. I was invited to attend services by a friend. Then I took a class. After that I was invited to join the Skits and Bits Players (who knew that the "real me" was such a ham.). After that there were more plays. There were teas to arrange, the Sisters Group, great classes – and always something in the Sunday message to keep my mind open and grounded.

I hope it is the same for you.

Here is some data from an August 2023 article in *The Atlantic*:

"The percentage of people who say they don't have close friends has increased

fourfold since 1990. . . More than half of all Americans say that no one knows them well. The percentage of high school students who report 'persistent feelings of sadness or hopelessness' shot up from 26 percent in 2009 to 44 percent in 2021." The antidote for this malaise is PARTICPATION!

Unity runs on the investments of our time, talents, and treasure. And, as individuals, we all run best when we are reaching out of ourselves to create, invest in, and serve our communities.

The Unity Thrift and Gift needs volunteers.

The Wonderland Teas needs planners, a set-up team, cooks, donations of prizes, servers, and models for the fashion show.

The board needs a TREASURER!

AND, we love to SEE YOU at Sunday service and in our interesting classes.

Grow your community ... and Grow your self. Join the fun!

Blessings, Kathleen DeMontigny
